We benefit from listening to XM Satellite Radio and its traffic and weather channels. Satellite radio provides variety and quality that are not available elsewhere. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what we are permitted to hear. I Respectfully urge the FCC to reject the NAB'S petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve. I support satellite radio and strongly oppose HR 4026.
